Digital Imprint Specifications

Imprint Dimensions: 8½" wide x 2" high

Imprint Color: Black only

Image Quality: 300 dpi or greater at actual size.

Acceptable File Formats: pdf, jpg, tif, eps, psd, bmp, or doc.

- We cannot accept Microsoft Publisher files, Quark files, faxed images, or images with a resolution under 300dpi.
- We will be happy to convert color images to black and white for you.
- You are responsible for any anomalies contained within your image file. We will do our best to screen the images but will not be held responsible for print quality of images submitted. This includes reprinting of the flyers in question.

If you have questions concerning your file, please email it to sfoster@ndiof.com with the subject "Imprint Inquiry" and we'll do our best to respond as quickly as possible.
